

2011 SPONSORSHIP PROGRAM RENEWAL

RENEWAL SPONSORSHIP

Thank you very much for being a JACKSON FASTPITCH ASSOCIATION (JFA) sponsor last year. Our tenth year with nearly 175 girls was a success, in no small part due to the community sponsorship last year.

JFA is a non-profit community group dedicated to providing fastpitch softball opportunities for girls of all ages and experience levels. Our organization is dedicated only to fastpitch softball - the only softball played at the high school, collegiate, Olympic, and professional level, and the only softball played by most of the other communities in Stark County. In addition to providing spring ball teams for all ages 6 to 14, the JFA provides clinics, winter training programs, and group and private lessons. This is JFA's eleventh year providing fastpitch opportunities for Jackson girls.

We know that you are a **community minded business or individual** who shares our dedication to providing fastpitch playing opportunities to our players. We are in need of capital to construct a training facility, purchase pitching machines, catching equipment, bats, and other capital items that can be used over a number of years. Your tax-deductible contribution will help fund our association and make our girls' efforts on the field a success.

SPONSORS (\$250.00) will have your company name and logo placed on an individual banner that will be displayed on our homerun fence at field #15 in the Jackson North Park.

**Renew by March 31, 2011
and receive a 10% discount
on your renewal. Discounted
rate would be \$225**

In addition, your company will be displayed on our website www.jacksonsoftball.com. If you have a company website, we can add a link from our site to yours.

Please consider helping us to help our Jackson youth.
